THE PLEDGE OF ALLEGIANCE

"I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

BICENTENNIAL EDITION

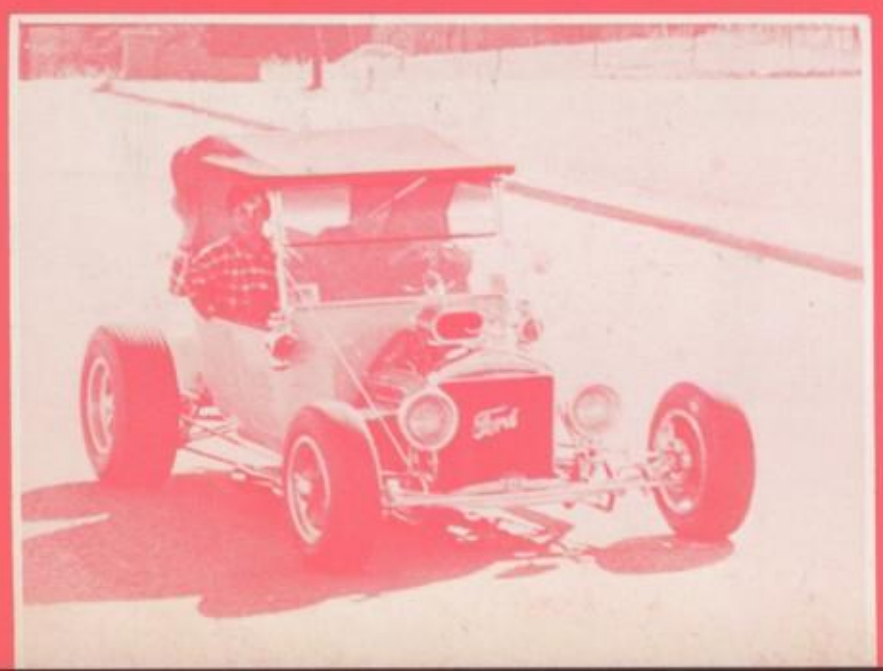
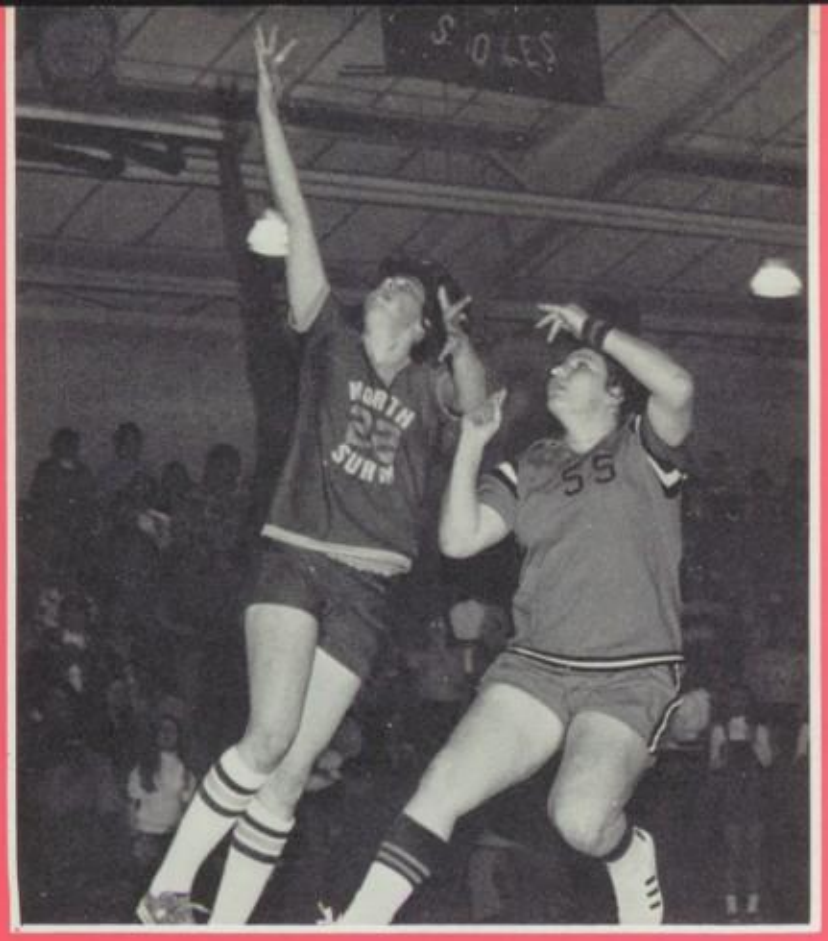
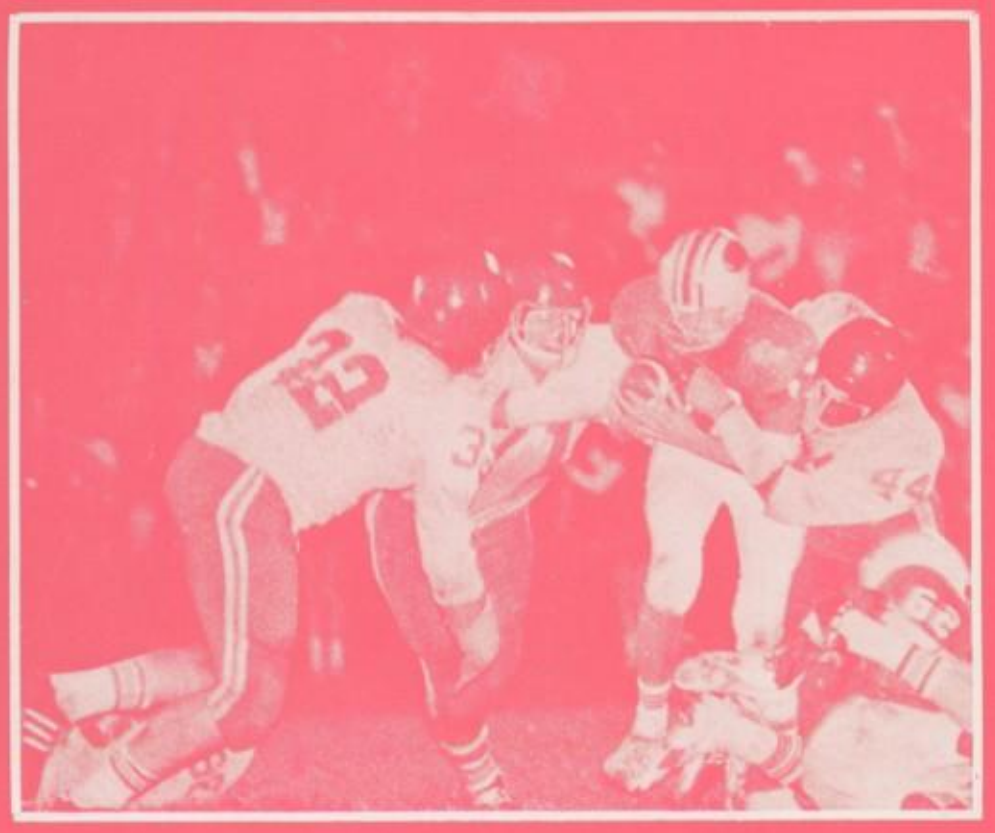
North Surry High School
Route 6, Box 54
Mount Airy, North Carolina

"MAY THE SUN IN HIS COURSE
VISIT NO LAND MORE FREE, MORE LOVELY,
THAN THIS OUR OWN COUNTRY!" —
DANIEL WEBSTER







North Surry is a happy environment for most of its students. We enjoy our selves greatly here because we have a lot to do outside of classes. There are sports and many clubs to participate in. But many kids just simply enjoy being with their friends and having a good time. The North Star staff has tried to make this book a record of all those good times you had, all the sports you played, and all the achievements you made, so that the Spirit of '76 will never be forgotten.

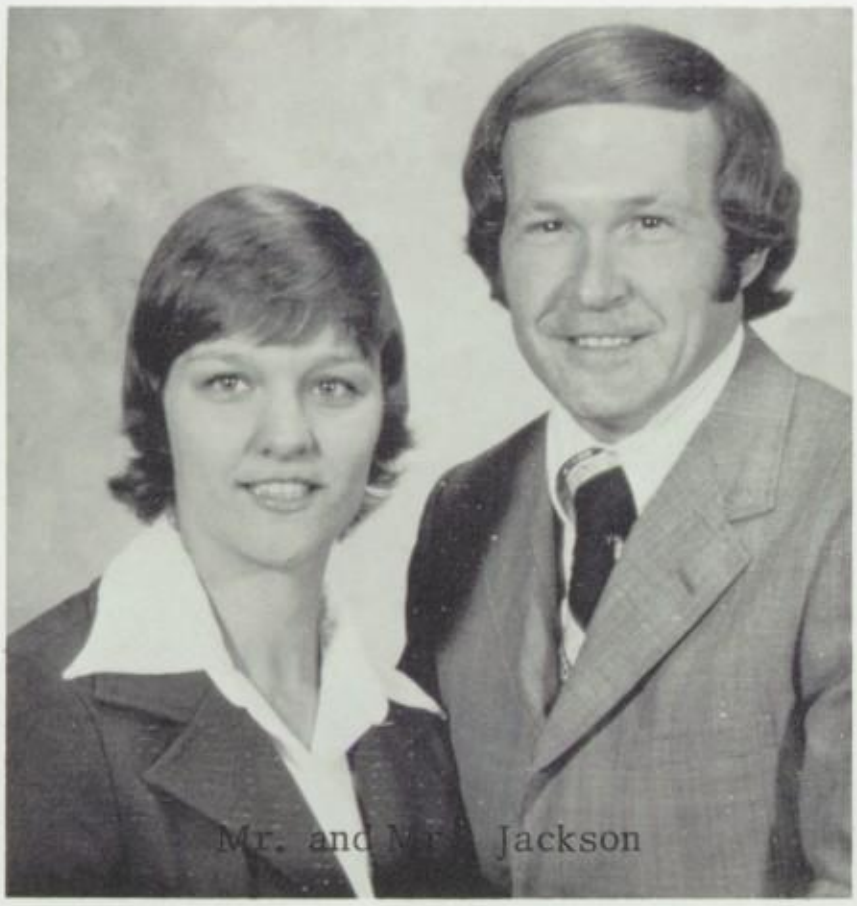
--Cindi Evans, Editor

DEDICATION

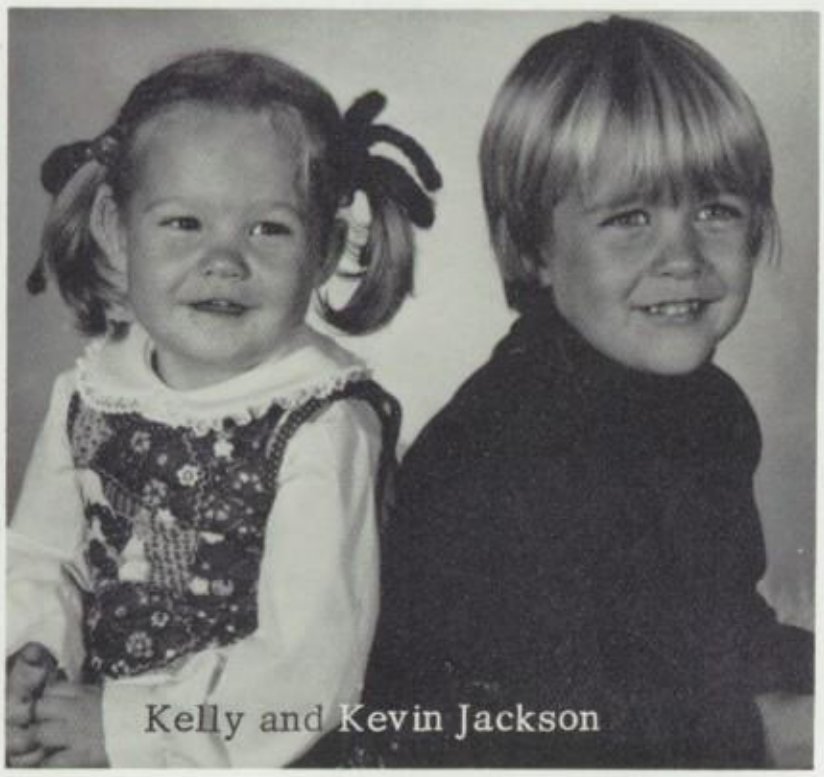
Ann Vaughn

Mrs. Ann Fleming Vaughn is a very unique person. Not only is she a wonderful wife and mother, but she is also a devoted teacher. She is such a good English teacher she can make the most boring grammer drills interesting. It has been said by many that this lady can work her students very hard, but for some reason the students never realize it. Obviously, Mrs. Vaughn enjoys teaching and her students enjoy being in her class. The '76 NORTH STAR could not be dedicated to a more hard-working or deserving woman.

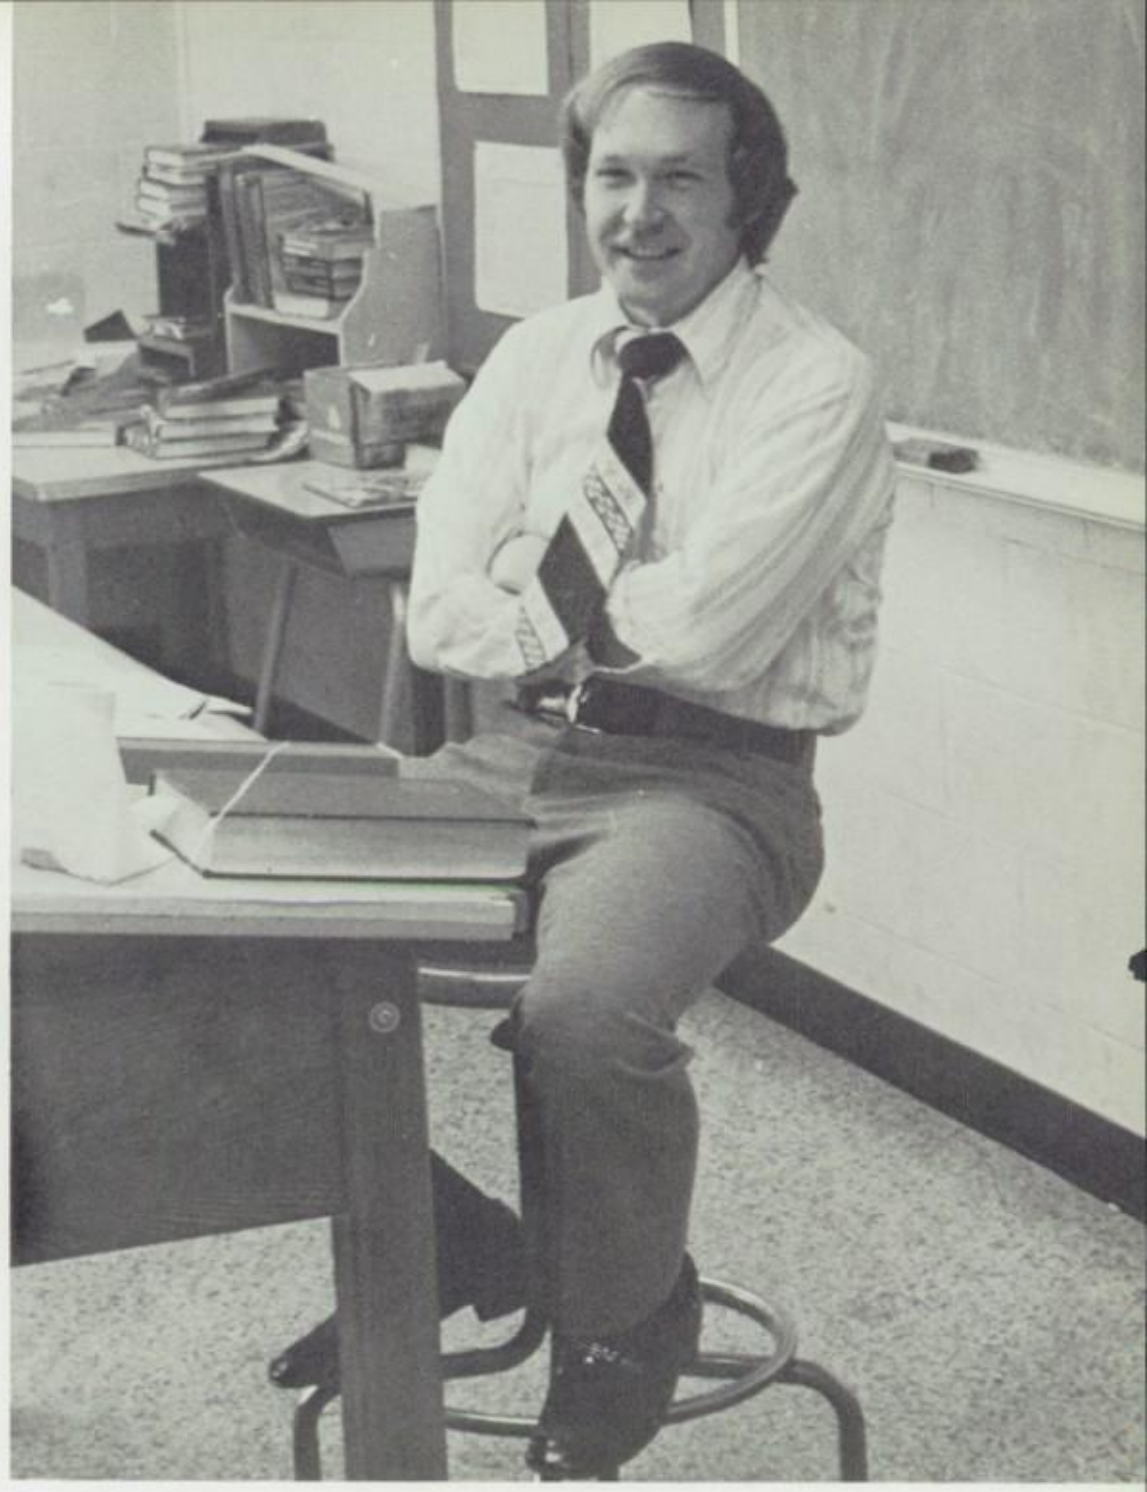
Mr. Vaughn and daughter, Melinda



Mr. and Mrs. Jackson



Kelly and Kevin Jackson



Many teachers have received the dedication but
Every one of them was an academic teacher. Mr. Jackson is the first vocational teacher to have received this honor.
Lots of students think Mr. Jackson is the greatest teacher at NSH. Some people who have never had him think it would be one big
Vacation to be in his class but after one has had him it is not so easy after all, and one
Is bound to know a little bit about drafting after being in his class. But
Never will a student come out of that class without at least liking or respecting the instructor.

FALL

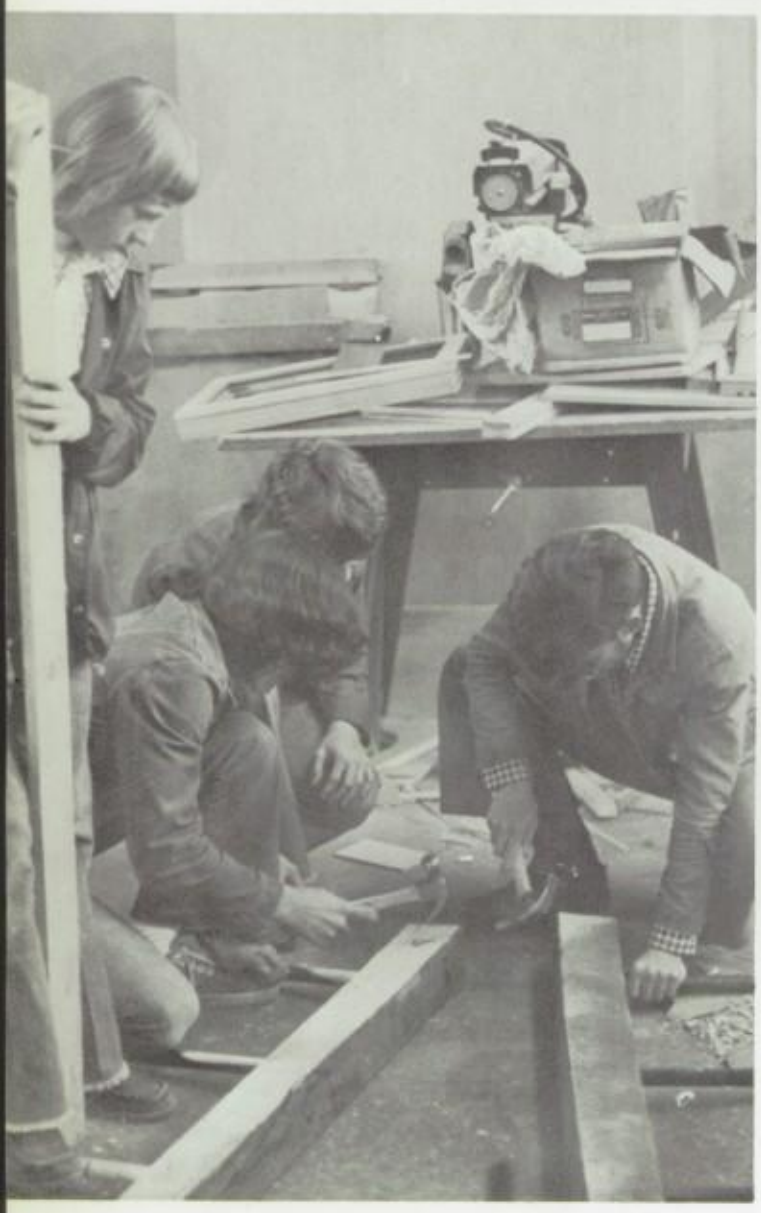
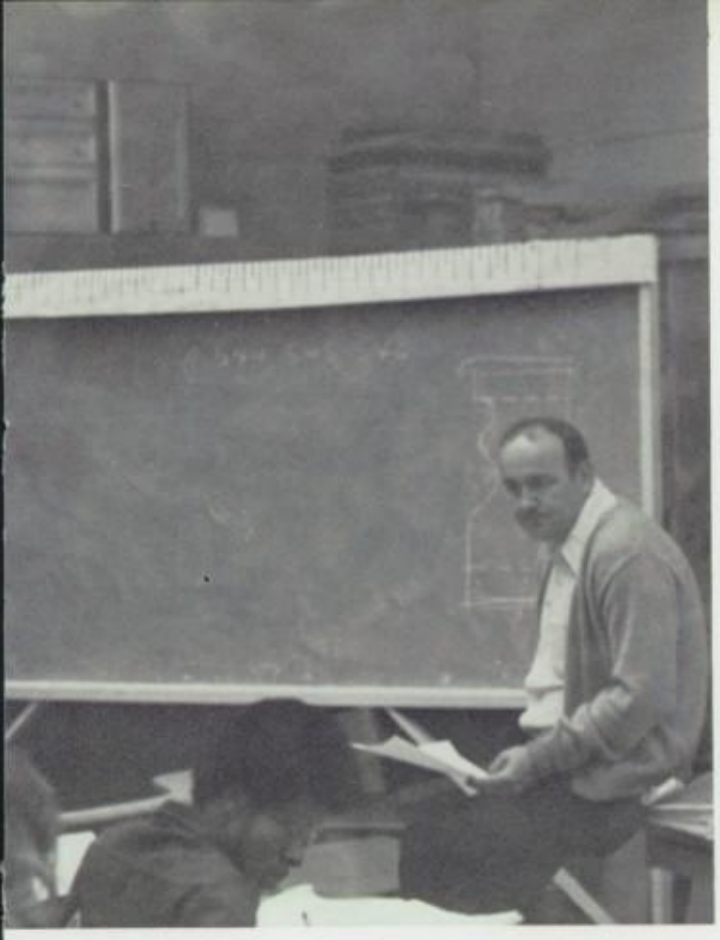
Here at North, the students' expressions are as varied as the students themselves. Some are caught in surprise and others are pushed into surprise shots. However, some of the students show only the expression of work, pain, and misery. (In that order.)

USING HANDS . . . MINDS

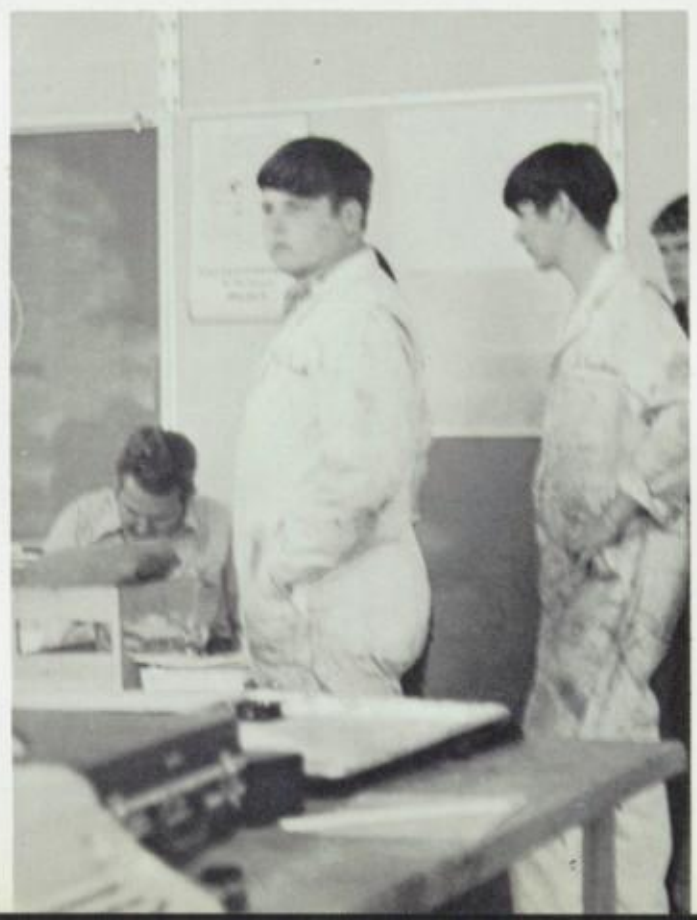


Repair an automobile . . . or a stereo . . . prune a shrub . . . or plant a tobacco crop. Or, perhaps make a top, or even a wedding dress, or plan a meal. Not enough . . . maybe one will need to type a term paper or a letter of application. All these and more are vocational skills which aid those involved, now, or in the future.



Using the hands as well as using the brain . . . Being active as well as just sitting in the classroom . . . Learning skills which will be useful . . . Which may lead to a job after graduation . . . Which may also make life and homemaking easier . . . Giving service and perhaps earning now.

Vocational courses offered at North Surry aim to offer students a chance at employment immediately after graduation. They also offer an opportunity for beginning job training, or for a useful extra skill.



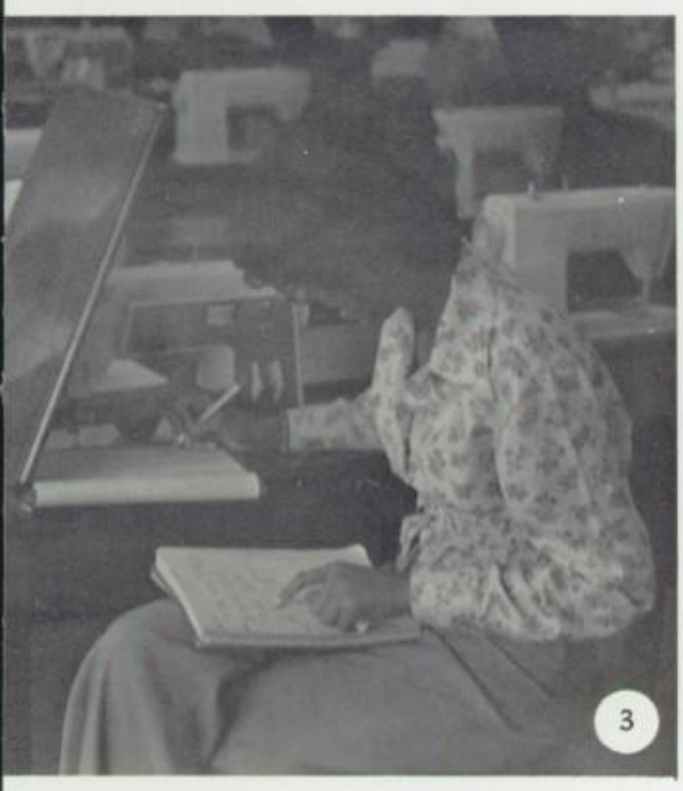
CLASSES

1. North's students enjoy Fifties Day.
2. Just you wait 'til midterms.
3. Hi, there!
4. Peek-a-boo!

BUT CAN BE . . .

FUN!

CAN BE



1. War and peace? (Note trashcan.)
2. Overcrowding?
3. Time to catch up on homework.
4. Hey! aren't you a little bit too old?
5. I heard that!

SCHOOL DAZE

IN THE FALL . . . Shew! It's too hot to go to school . . . Now where did I put that blasted registration card? . . . Which bus do I ride home? . . . But I can't help it if I don't remember what bus I rode this morning . . . Hey, I signed up for P. E. II, not Home Ec. . . Just can't believe we're finally seniors . . . Thank goodness, last year's yearbooks have finally arrived . . . Hey our class rings are here! . . . Can't wait 'till we play MASH . . . We have really got a great football team . . . I just love Fridays . . . IN THE WINTER . . . Boy somebody sure believes in conserving energy--it's cold in here . . . Aw, do we have to have class today! Don't you have any Christmas spirit? . . . I sure wish Christmas would hurry up and get here . . . What are you going to get for Christmas? . . . Better yet, what are you going to get me for Christmas? . . . Why can't seniors be exempt from exams? . . . Why does ANYBODY have to have exams? . . . IN THE SPRING . . . I'm tired of cold weather . . . Can you believe it--we completely shut out MASH this year, in football and basketball . . . Are you going out for track? . . . It's too pretty outside to have class . . . I'm actually going to graduate in a few months--I hope . . . Those juniors sure are secretive about the Prom . . . Wonder what the seniors will give for the class gift? . . . You know NS is not such a bad place after all . . .

Coaches

Our season was very close to being terrific, as we missed winning the conference by 12 touchdowns; and we came back each week and improved with each practice.

I am sorry to see our seniors go. They have been a great group. They can leave knowing that they are winners, and left us with that great tradition to build on in the future

The 1975 Greyhounds were as an exciting team to watch and coach as I have had the pleasure of coaching.

The team leadership by the seniors was very excellent and those young men are to be commended for their spirit, loyalty, dedication, and help that they gave to the football program.

The underclassmen were a great group and show great promise in the Greyhound future. They are coming on fast and their leadership, spirit, and moral is tremendous - it's a great group.

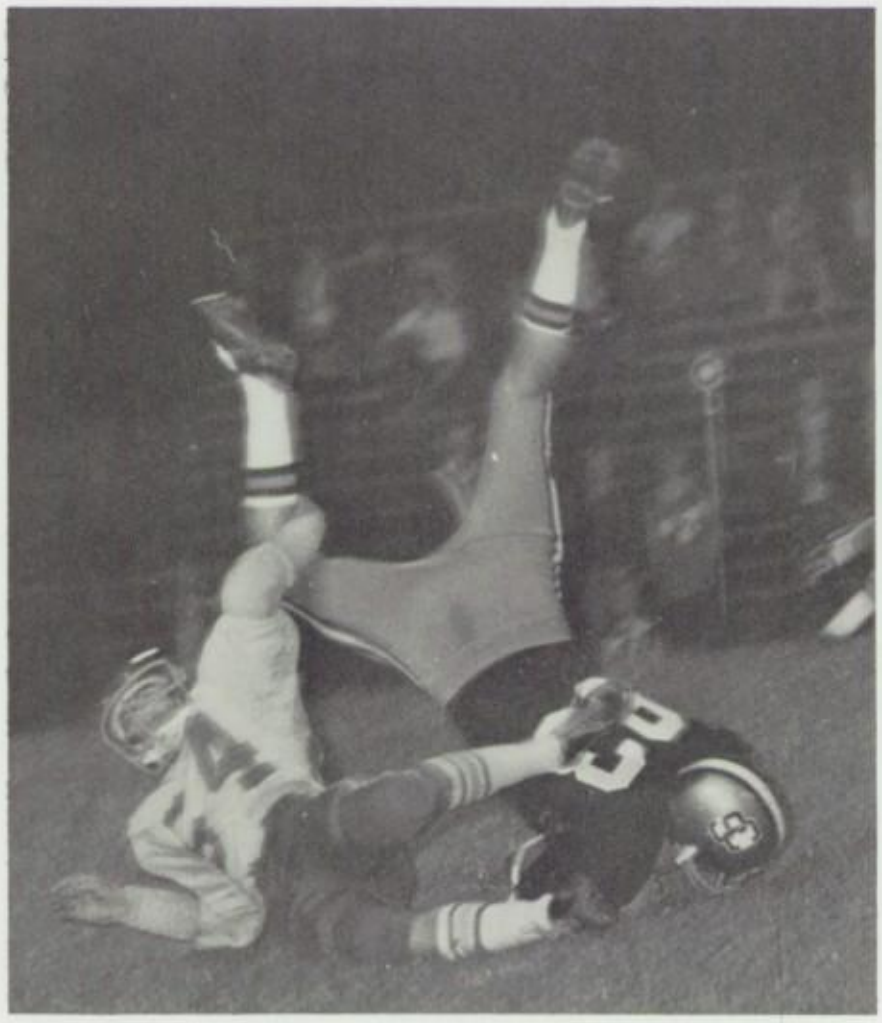
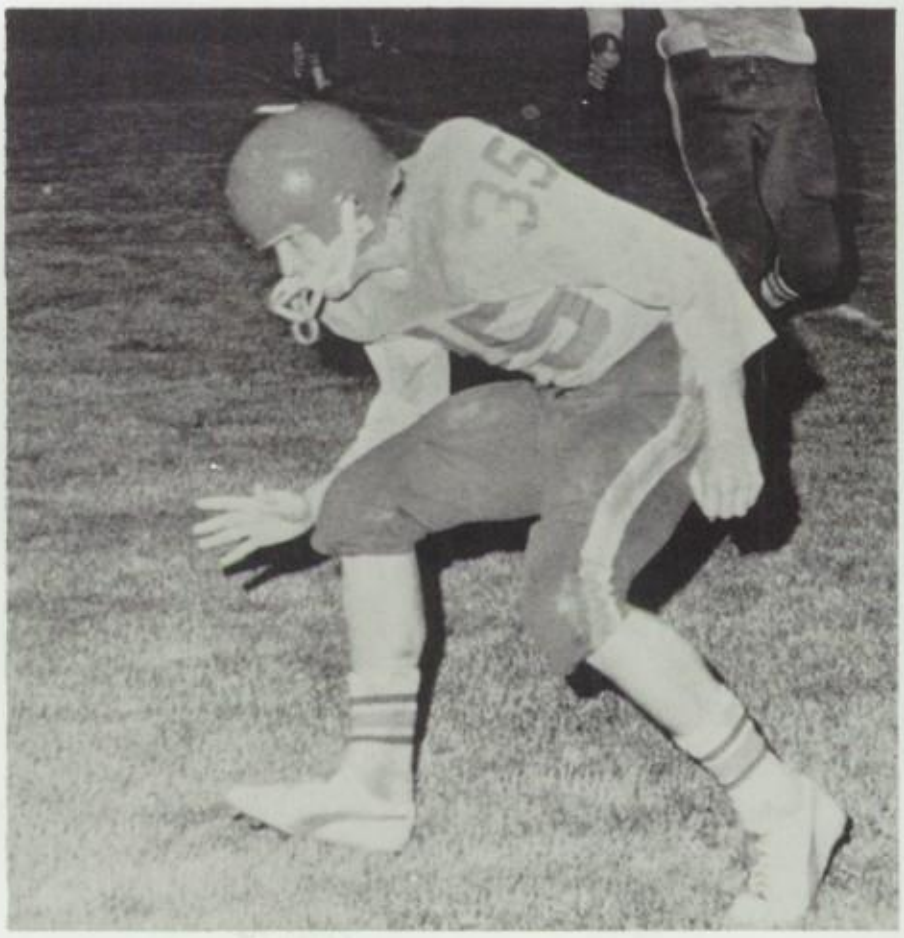
SENIOR LEADERSHIP PLAYS

Front Row- Randy Surratt, Kenneth Carter, Bill Norman, Steve Leonard, Jimmy Cooke; Second Row- Chuck Brown, Brack Boyd, Gerald Marsh, Donald Duncan, David Shelton, Coach Charles Atkins.

I thought the team should have gone to the playoffs, because the teamwork was good and we all got along real well.





I've never played with a team that was as close as we were. We had only one thing in mind, and that was to win. "We got out of the sewer."

MAJOR ROLE IN SEASON'S REVERSAL

It has been one of the best teams I have ever played on. The players all seem like brothers and we all stayed together like one big rough family, looking after each other.

- Donald Duncan

The best team I have played on since I've been here. I enjoyed playing with the team, and I think the coaches were great toward me and the team.

- Kenneth Carter

Question: What do you think of this years football team?

I think it was a good season even when I got hit. I just hope it's better next season and we go all the way.

- Michael Penn

It was the best team I have ever played for. The boys were all close.

- Jimmy Cooke

The team is very much improved and is together. That's what made the difference.

- Randy Surratt

The team stuck together through all of this year and was dedicated to doing only one thing, "Getting out of the sewer." We got out, maybe not smelling like roses but having a pride in the team that will last forever.

- Chuck Brown

I liked playing with all the other guys. We had a great team and great morale. And everyone worked hard for what we did not get - first place.

- David Shelton

I liked playing with this year's guys because everyone had the winning spirit. I think we should have gotten first place, but that is the way it goes. I think the coaches worked really hard to help the team win and helped to keep up the spirit.

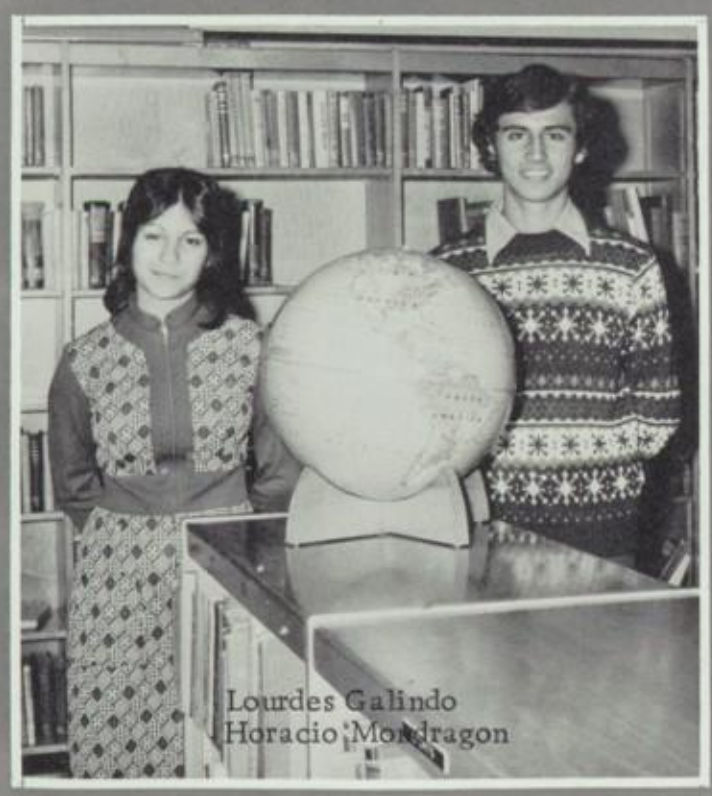
North Surry Has Two Nominated for Moorehead

The Senior class was composed of quite a few leaders. Clayton King and Sharon Hice were two people that were right on top. They both were nominated for numerous scholarships including the Moorehead Sharon rated number one and Clayton was number two in the class standings.

Rosa Alfarro

Ronnie Miller * Clayton King



Lourdes Galindo
Horacio Mondragon

1. Sharon Hice was nominated for quite a few scholarships. First of all she was nominated for the Moorehead Scholarship. Then came the nominations for the Aubrey Lee Brooks and the Sally Southall scholarships.
2. Clayton King was awarded the Elk's scholarship.
3. Rosa Alfarro, an exchange student from El Salvador was voted Sweetheart Queen for 1976.
4. Lourdes Galindo and Horacio Mondragon are also exchange students, but from Mexico. Lourdes stayed with Mr. and Mrs. Rogers, her sister and brother-in-law. Horacio lived with Greg Stewart and his mother. Rosa Alfarro was a guest of Mr. and Mrs. Ray Goins and their daughter Kim whom is a student at North Surry.
5. Ronnie Miller and Clayton rated superior at the Wake Forest Speech Festival.

GAC PROMOTES GIRLS SPORTS . . .

Due to the large number involved we are sorry we cannot identify.

Officers, Left to Right-Donna Slate, Cathy Johnson, Annette Chilton, Vyron Brim.

The Girls' Activity Club has as its aim the promotion of physical fitness for girls. In order to achieve this goal, the club sponsored an intermural sports program. They also published, for the first time, the GAC UPDATE.

Cathy Watson displays the liscense plates sold by the GAC. These plates were sold to raise money to buy pins for the senior members.

STRIVES FOR PERFECTION

Where's your layouts? . . . I need pictures! . . . Have you seen the copy key? . . . Index those seniors! . . . What's our job number? . . . How many of you know all of the hard work that goes into the making of a yearbook? At the beginning of each school year, the sponsor has to practically strap each yearbook member to a chair and force him to draw his layouts. If and when the layouts are drawn and have met the approval of the editor, they must be redrawn on carbon. After 50 sheets of 3-r and ten-thousand mistakes, those who are lucky enough to finish arrange for pictures to be taken. When the pictures are printed, they must be cropped to fit the spaces that have been drawn on the layout sheets. At this time, the sponsor must always be prepared to break out over the cropping equipment. After a few more minor details, most of the job is finished. Sounds simple, doesn't it" Well, you'd better believe it's not! Each and every yearbook staff member should stand up and be recognized for a job well done!

Being an office or guidance aid is a task that is sometimes hectic and sometimes enjoyable. The girls in the office run errands, answer phones, count money, and most anything else that has to do with office work. The guidance aids fill their time with filing excuses, answering phones, and chasing Coach Charlie down at the ball field to answer a long distant phone call.

Leadership is important to every institution, and our school is not lacking in this area. Under the careful and protective guidance of Mr. Poplin and Mr. Haynes, our school is well known for its warm and friendly atmosphere. If this were not true, our school would acquire the public attitude placed upon many other schools.

Teachers are a strange species. They try their best and try harder when everything else seems to fail. Some are almost like the students in that they associate with them. Others even resemble students especially if you run into one in the hall and they say excuse me. Then you wonder, "Was that a teacher? it couldn't be," but it was.

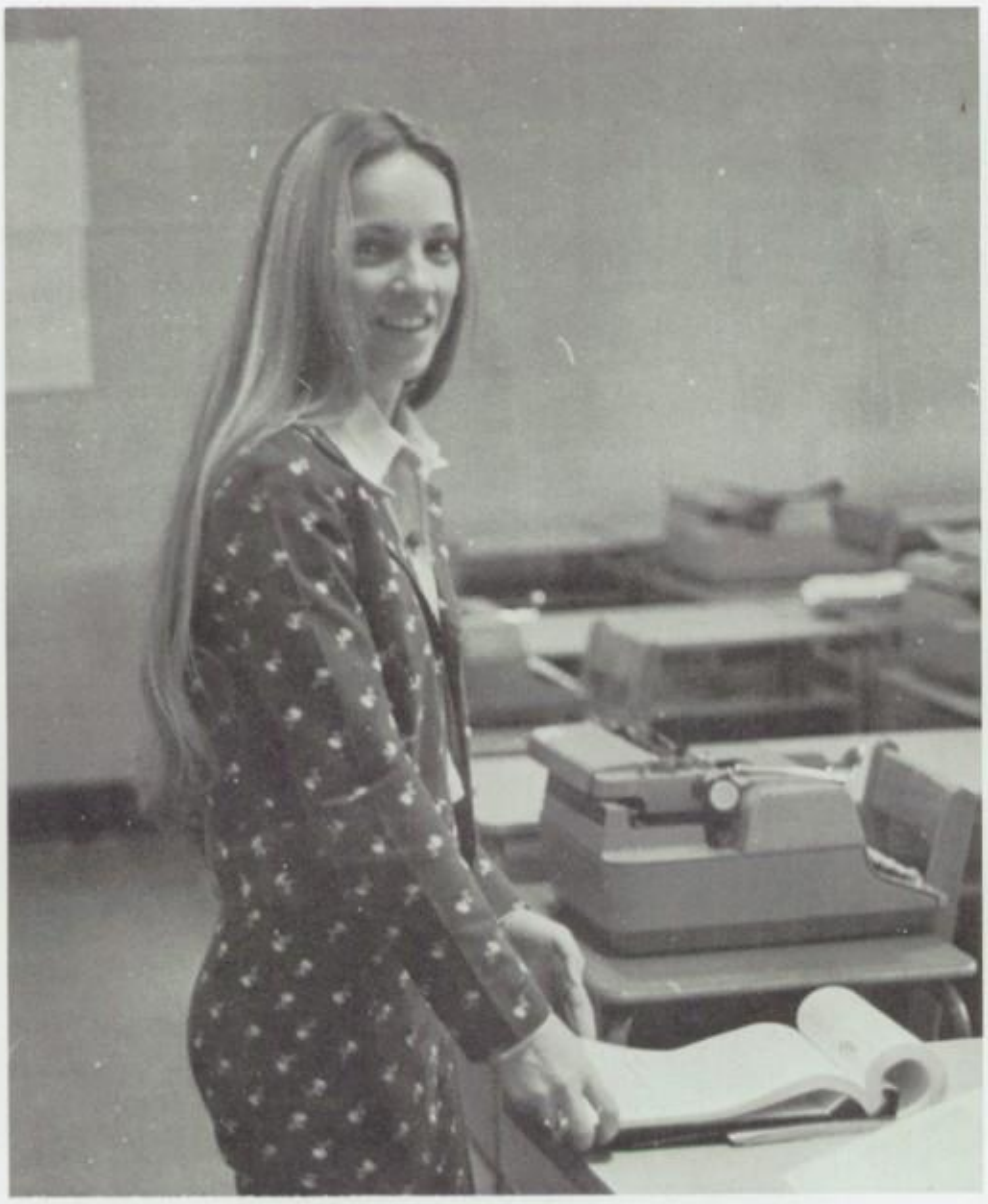
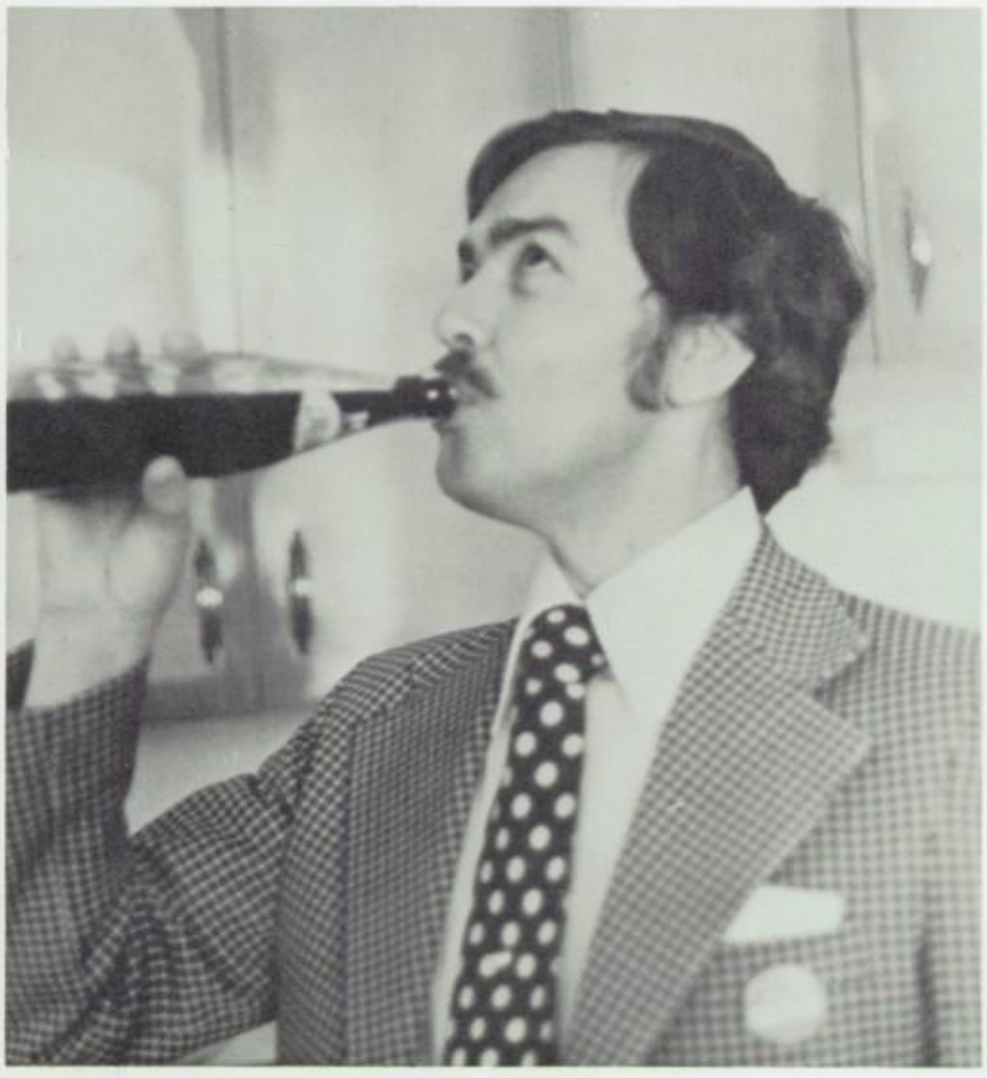
TEACHERS HAVE VARIED DUTIES



— INCLUDING TEACHING



Most of the yearbook is centered around the students, but the teachers are a big part of North Surry too. They have various jobs, one of which is hall monitor. During this time they stop fights, smooching in the halls, and food throwing. Oh, and yes, they teach once in a while.

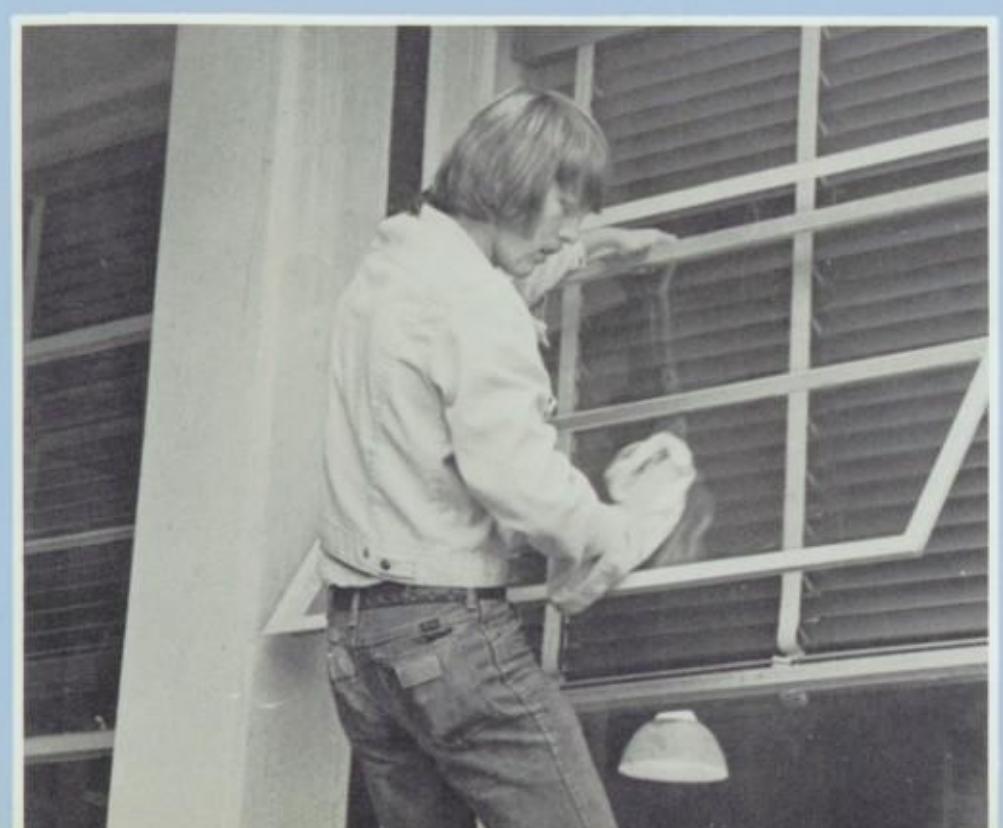
CUSTODIANS KEEP NS CLEAN AND GREEN

Mr. Portis is a familar sight at North Surry. All day long he and his wife work hard sweeping floors, cleaning bathrooms, picking up trash, etc. But few people know what long hours this team puts in. They always clean up after dances, banquets, ballgames, and any other school event. They also work hard on weekends to clean up the mess the students made during the week, so that the students can just dirty it up again.



Many students assist Mr. Portis. This school is just too large for one man. Teachers have their students to do such things as wash windows, empty trash, and other jobs which helps Mr. Portis greatly. The students who help often don't mind at all. Washing windows is better than having class any day!

WINTER

Christmas is . . .

The students at North Surry always become very excited around Christmas time. Teachers usually find it very difficult to keep their students' minds on studying because students have other things on their minds besides books. At Christmas, most people concentrate on what they are going to give a special someone or better yet what that someone will give them. Too, there are a lot of activities for students to get involved in. There are bulletin board and door contests, food drives for the Salvation Army, parties, and the Christmas dance. But certainly the best thing of all is the long vacation that stretches in front of every one.

GIRL'S BASKETBALL TEAM

The North Surry Girls' team had a fantastic starting line-up this year. Vickie Hardy and Donna Clark were two excellent guards. Vickie was a very good ball handler and it was she who could get the team going again when they were trailing their opponent. Donna never lost her cool either. She was very fast on her feet and could steal the ball before the other girl knew what was happening. Donna helped pile up points with lay-ups after she had stolen the ball. Pam Bryant and Annette Chilton contributed greatly to the success of the team. Pam was a sharp-shooter whom never seemed to miss. She was great from both the foul line and under the basket. Pam was the only girl from North Surry to be named All-Conference. A girl has to be really good to be named All-Conference her first year. The team could not have done without Annette Chilton either. When a basket was badly needed Annette's long arms just seemed to come out of nowhere and lay in two points. The other starter was often rotated between players on the team. They all did a great job and they all deserve credit.

Left to Right: Pam Bryant, Teresa Bobbitt, Kathy Gery, Brenda Carpenter, Vickie Hardy, Teresa Brickell, Sherri Thompson, Teresa Nichols, Sherri Dollyhite, Donna Clark, Kim Hodges, Mary Hicks, Pat Jessup, Laurie Hiatt, Annette Chilton, Middle; Coach Steve Triplett.

SHOWS GREAT IMPROVEMENT

Pam Bryant (number 22) and Vickie Hardy (number 13) were two team members that worked well together. Quick passes to Pam would often result in two easy points. A long throw in a fast break to Vickie would also prove to put points on the scoreboard.

This year, the girls' team has shown a lot of improvement. They ended the season in 6th place. Last year was the first time to have a team and the girls were inexperienced. Much of their improvement may be due to the fact that this year, many of the team members returned with more experience. There were also some new members that really did a good job. The coach, Mr. Triplett, contributed a lot to the success of the team.

The 1975-76 North Surry basketball team was one of the most enjoyable teams to coach that I have encountered. We had a team composed of 6 seniors, who offered outstanding leadership, and 6 juniors who should be the nucleus for a fine team next year. This year's greyhound team had a good season, and without a few key injuries and bad breaks could have had an outstanding year. I thought our kids worked hard and displayed a great amount of hustle, which made them one of the most improved teams at the end of the year.

STUDENT COUNCIL

The Student Council serves as the official "ambassador" for the North Surry students. The Council is responsible for a number of activities. For instance; publishing the student directory, selling booster badges, and sponsoring the school spirit contests. Also, one of their most important projects is to oversee the elections in April.

1. Officers: Clayton King--President, Sharon Hice--Vice-President, Janet Doss--Secretary, Holly Lowe--Treasurer.
2. Seniors: Clayton King, Dana Draughn--President, Diane Odell Janet Doss, Sharon Hice, Penny Key, Marty Belle, Vyron Brim.

2. Freshmen: 1st Row, Sonya Jessup--President, Sharon Fulk (nonmember). 2nd Row, Faye Gwyn, Terry Holt. 3rd Row, Janice Gwyn.

"The extent to which one participates and the interest of his participation determine not only what he learns but also his desire to learn. That was the overall goal for the Student Council this year; to strengthen everyone's desire to participate in school activities. The year was fairly successful in that aspect. School spirit was at an all time high. All clubs seemed to have a good year and everyone seemed to enjoy school a little better."

OUTSTANDING TEACHERS

North Surry has quite a few outstanding teachers. Mrs. Ramsey is plagued every year with preparations for the prom. No one works any harder at that time of the year. Mrs. Lowe is one of the most active women in Surry county. She teachers school, sponsors the Young Patriots Club, and in the community serves on the Bicentennial Committee. Mr. Helton is getting early practice on being a future principal. In the morning he teaches classes, and in the afternoons he handles some of the school's disciplinary problems, besides supervising the D. E. students.

JPRING

The Bare Facts

Silhouette of bees skirting beyond
stained glass window with swordplay.
Sunday fencing. The Three Muskerbees?

Wooden benches, numbing aching behinds.
Congregation, clothed in facade expressions.
Proud people! Wipe smug faces clean.

Admit we are no better than the poor
man who lives across the road.

White, crimson, and bright yellow flowers
placed in a scattered arrangement behind
an open Bible.
Wishing the swordsmen would make entrance
and fence the flowers to stir the stone faces.

Man of God trying to plant the message into
deaf ears and wandering minds. Piano silent,
organ retired. Choir songless.

Dear Lord! Rid us of our deafness and make us
realize that we could not take root without
The Words, the seed of life.

Twenty past twelve, running late.
Hope my roast doesn't burn!

YOUNG PATRIOTS DO EVERYTHING

Officers: Pres. Gene Hodges, Vice Pres. Ken Nowlin, Sec. Sarah Lawson.

Students in the Young Patriots feel a sense of dedication to the community and their organization. This year the Young Patriots remember the past in their activities, such as contests and preparing floats. The food drive for the Salvation Army went very well. Doughnut sales were trememdous.

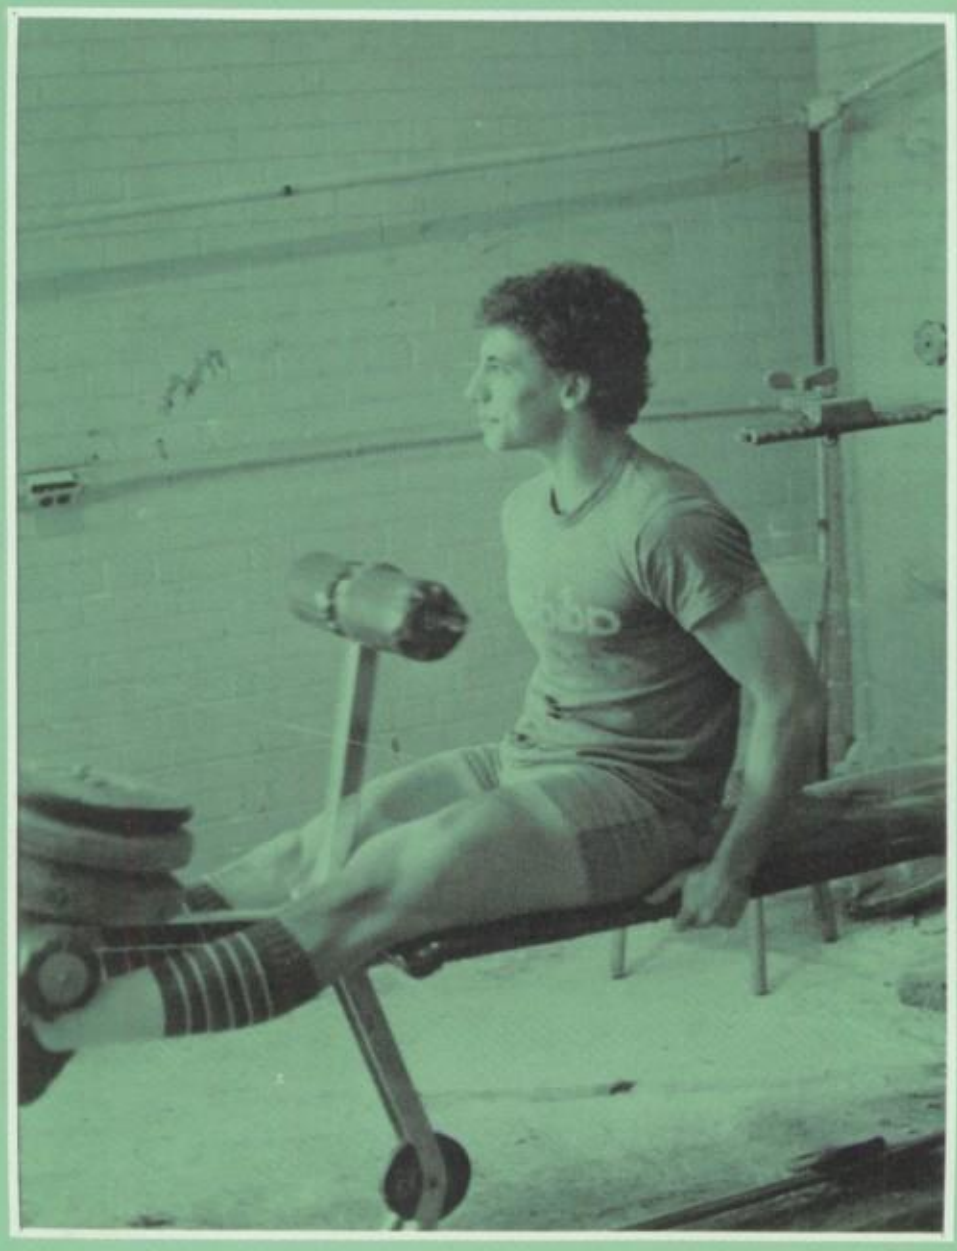
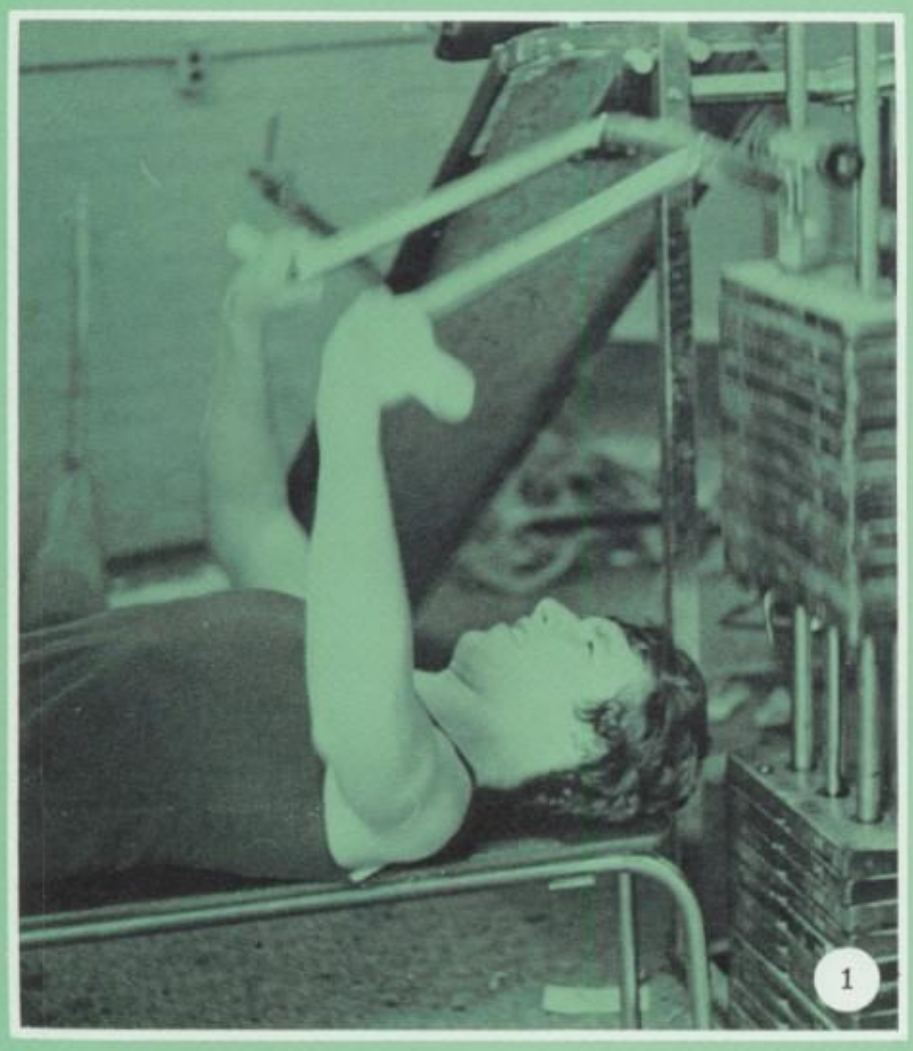
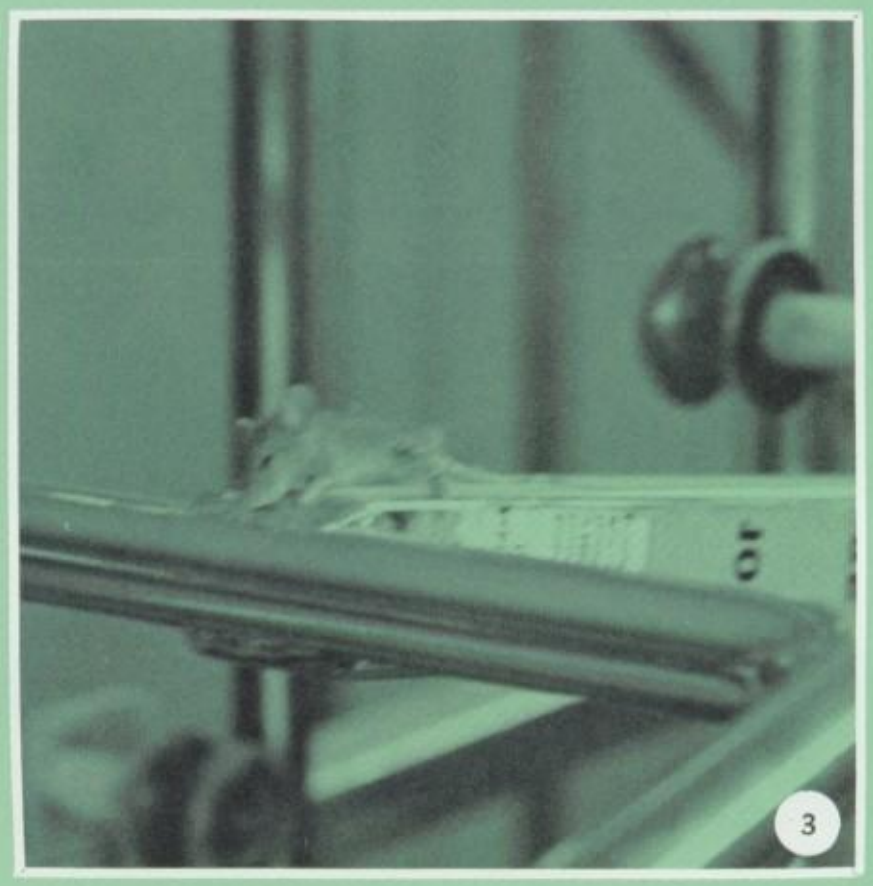
TRACK TEAM

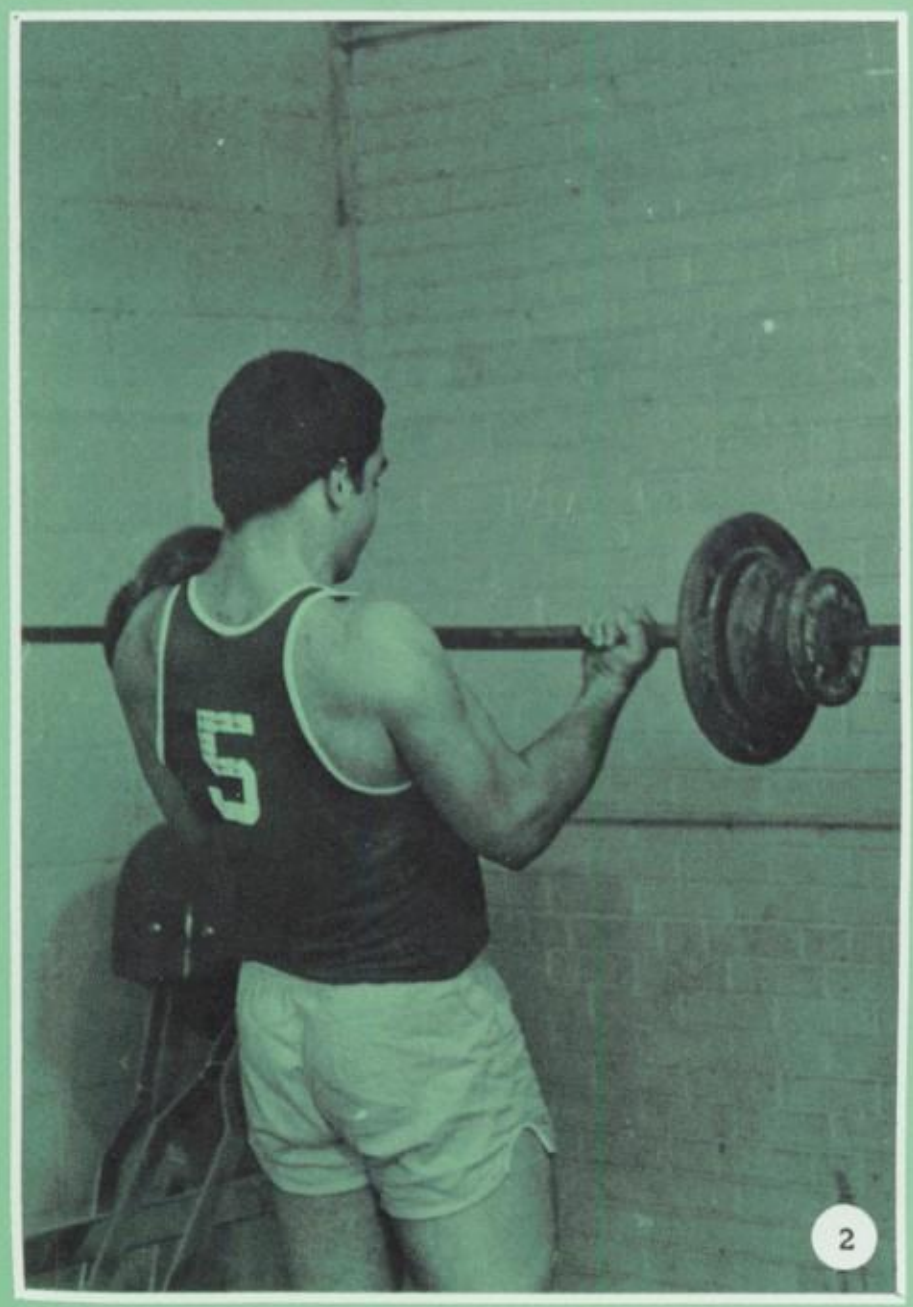


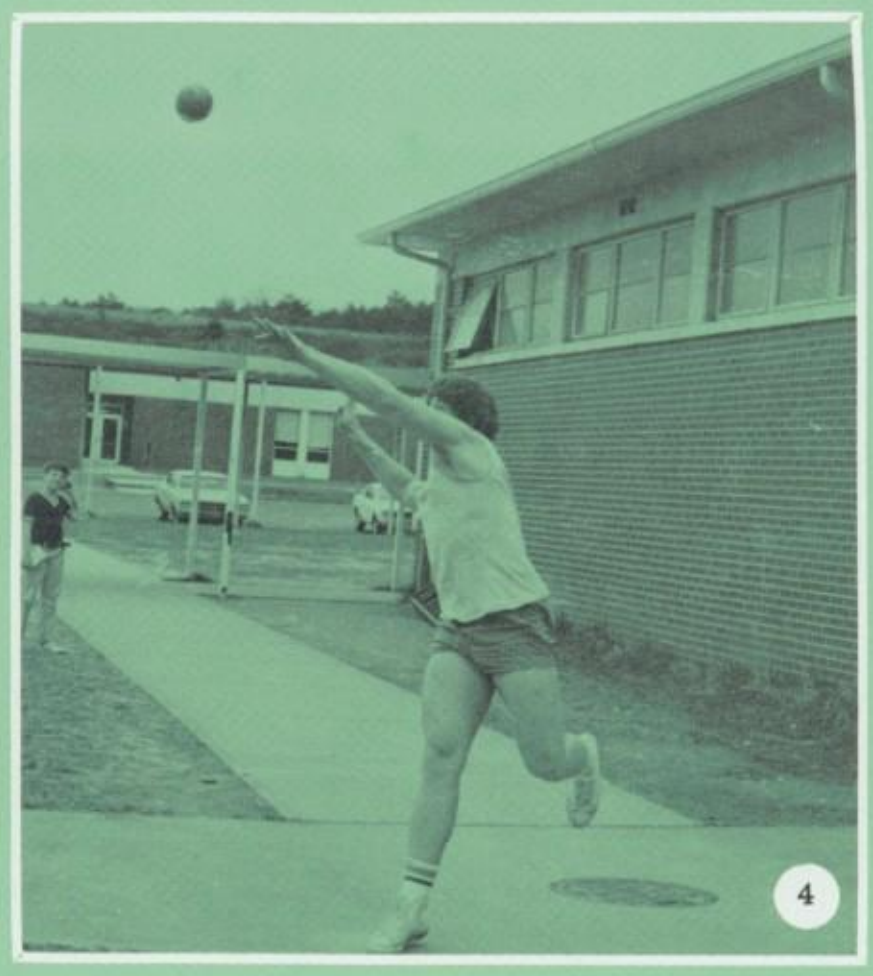
The track team is perhaps the sport with the longest season. From fall to winter to spring some guys at North Surry are running and lifting weights--all to get in shape. The weight room, is always full of guys working out. They are building up their legs, arms, and chests. It seems that every boy that participates in sports has bigger chests than most girls by a long shot. Then when it's warm enough outside the guys all deck out in the least thing they can find. Shorts they ripped off of somebody else, and a tank top that some forgetful soul left laying one day after practice, is their usual attire. Sometimes it's not really warm enough to stay outside without a jacket, but these guys never fail to appear. They are a credit to the school by always making up a good team but they are never patted on the back for doing a good job and for winning a track meet. The boys on this team certainly deserve some credit for working as hard as they do and for always coming up with such a fine track team.



1. Garry Hawks strains as he tries to lift the weights after doing it for so many times.
2. Mitch Martin is one of the best weight lifters on the track team. The muscles of his arms show he is obviously a guy possessing a lot of strength.
3. This is the little fellow that keeps all the guys company. When the mouse is not resting he is very good with the bar bells.
4. F.A. Martin will again participates in the shot-put event. Here he is practicing for the upcoming meets.







The Half Mile proves to be one of the most popular of track events. Notice how seriously all of the participants concentrate on their start.

T. TEAM STARTS OFF RIGHT — DEFEATS CENTRAL

Style's a little strange, but Clyde Wins!

K. Carter reaches into his back pocket for this jump.

Smooth quick handoffs are a must as D. Duncan pulls away during the mile relay.

All Chuck really wants to do is lie down, but the bar keeps getting in the way.

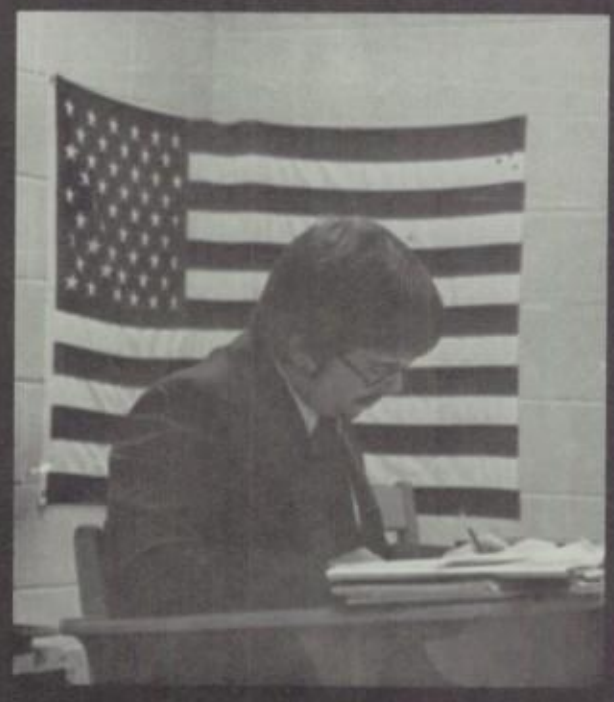
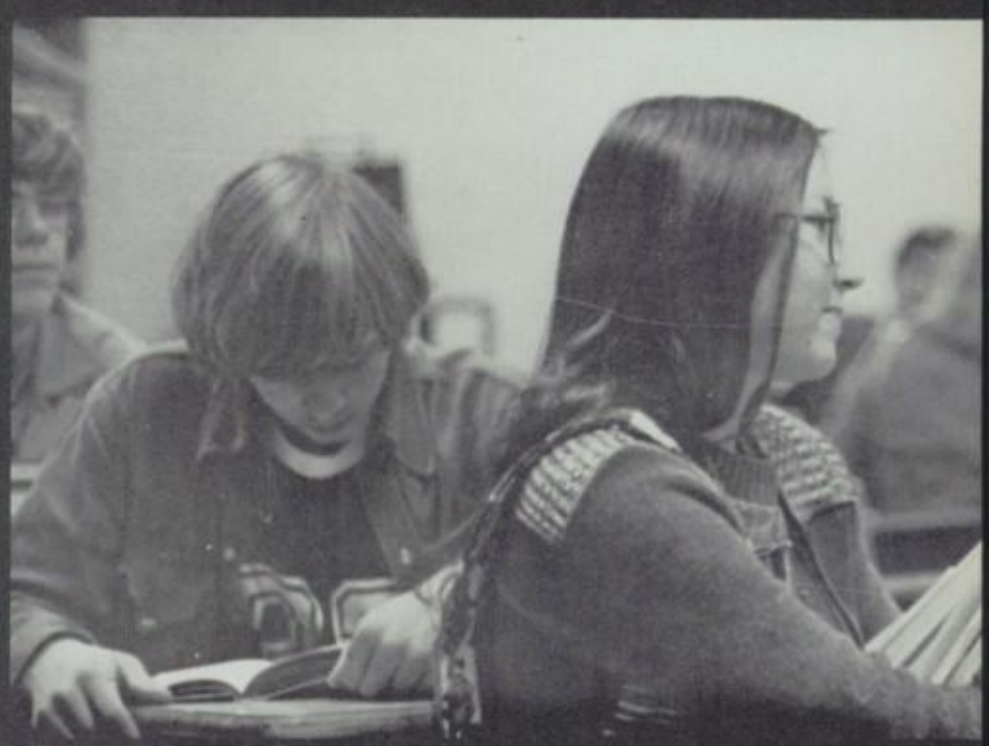
CLASSES PROVIDE VARIED



ACTIVITIES



Classes provide activities as varied as the classes themselves. The overhead projector for teaching a math class, or improving reading skills in the reading lab are two uses of equipment that make classes more interesting. Research, notetaking and just plain study and work also "went on". Then, too, sometimes students "goofed off." And after all this, teachers still had papers to grade.

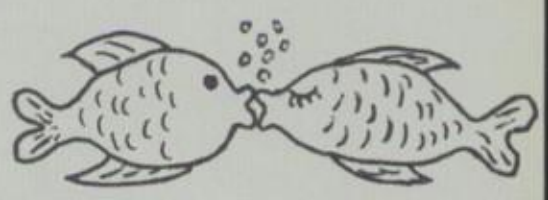
OF THE SEA

Along with the arrival of spring comes the most memorable occasion of the year. The Junior-Senior Prom/Banquet. This years theme "Fantasy of the Sea" was carried out elegantly with lovely decorations, a great play, and good music. Seniors there, were impressed . . . Juniors . . . Success is yours!!!



1976 — 200 SENIORS

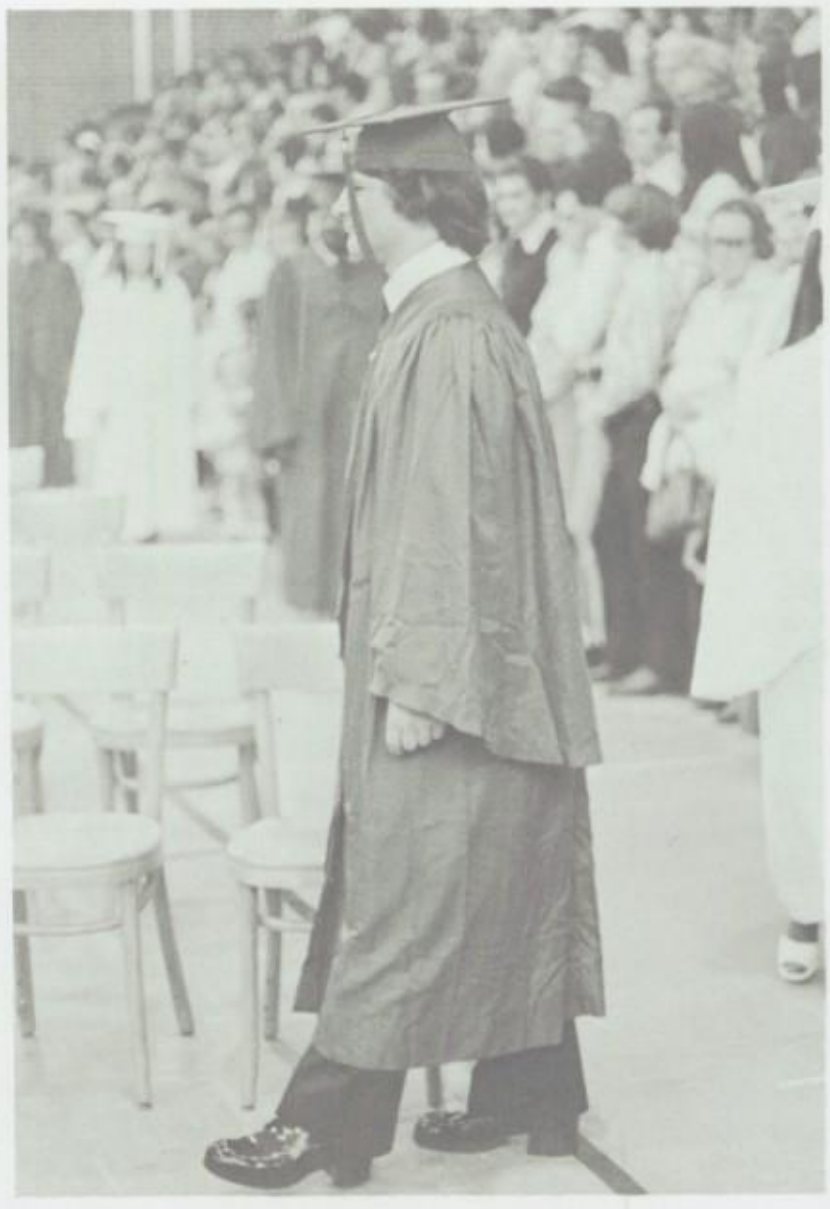
GRADUATE

June 4, 1976, was certainly a night to remember. It was a happy, yet sad occasion. Some of the 200 seniors had grown so close that many of them regretted leaving. The Student Council President, Clayton King, and the Senior Class President, Dana Draughn, were the Commencement speakers. Dr. Cratis Williams, Special Assistant to the Chancellor, Appalachian State University, delivered the address.

Marshalls, L to R: Cynthia Johnson, Cheryl Mosley, Britta Sawyers, Donna Nichols. Second Row; Tammy Brittain, Linda Hiatt, Greg Lawson, Tom Hodges, Rodney Pell, Regina Snow.



"SENIOR SUMMARY"

The 1976 Senior Class had a very good and full year. In the fall of 1975, class rings arrived. Seniors were very excited over this and for days could not keep their minds on their work for looking at the beautiful rings. Senior members of the physics class participated in a most successful aluminum drive. Then Homecoming arrived and the seniors members of the football team had the privilege of nominating the court. Also some members of the Monogram Club received their jackets. There were dances throughout the year and the seniors along with the underclassmen enjoyed them. Of course, there were classes to engage in and exams to pass.

And finally school started drawing to a close. All the seniors got a terrible case of "senioritis" combined with "spring fever." Invitations arrived and seniors traded name cards. The trip to Carawinds was next on the agenda. It was a beautiful day and the seniors enjoyed themselves immensely. The favorite ride seemed to be the "Barrel Keg Flume", better known as the "Log Ride." Many seniors came home drenched from where splashing battles had occurred.

On June 4, twelve hard, but fun, years of school came to an end. For many there were bad occasions, but usually the good times outweighed the bad by far.

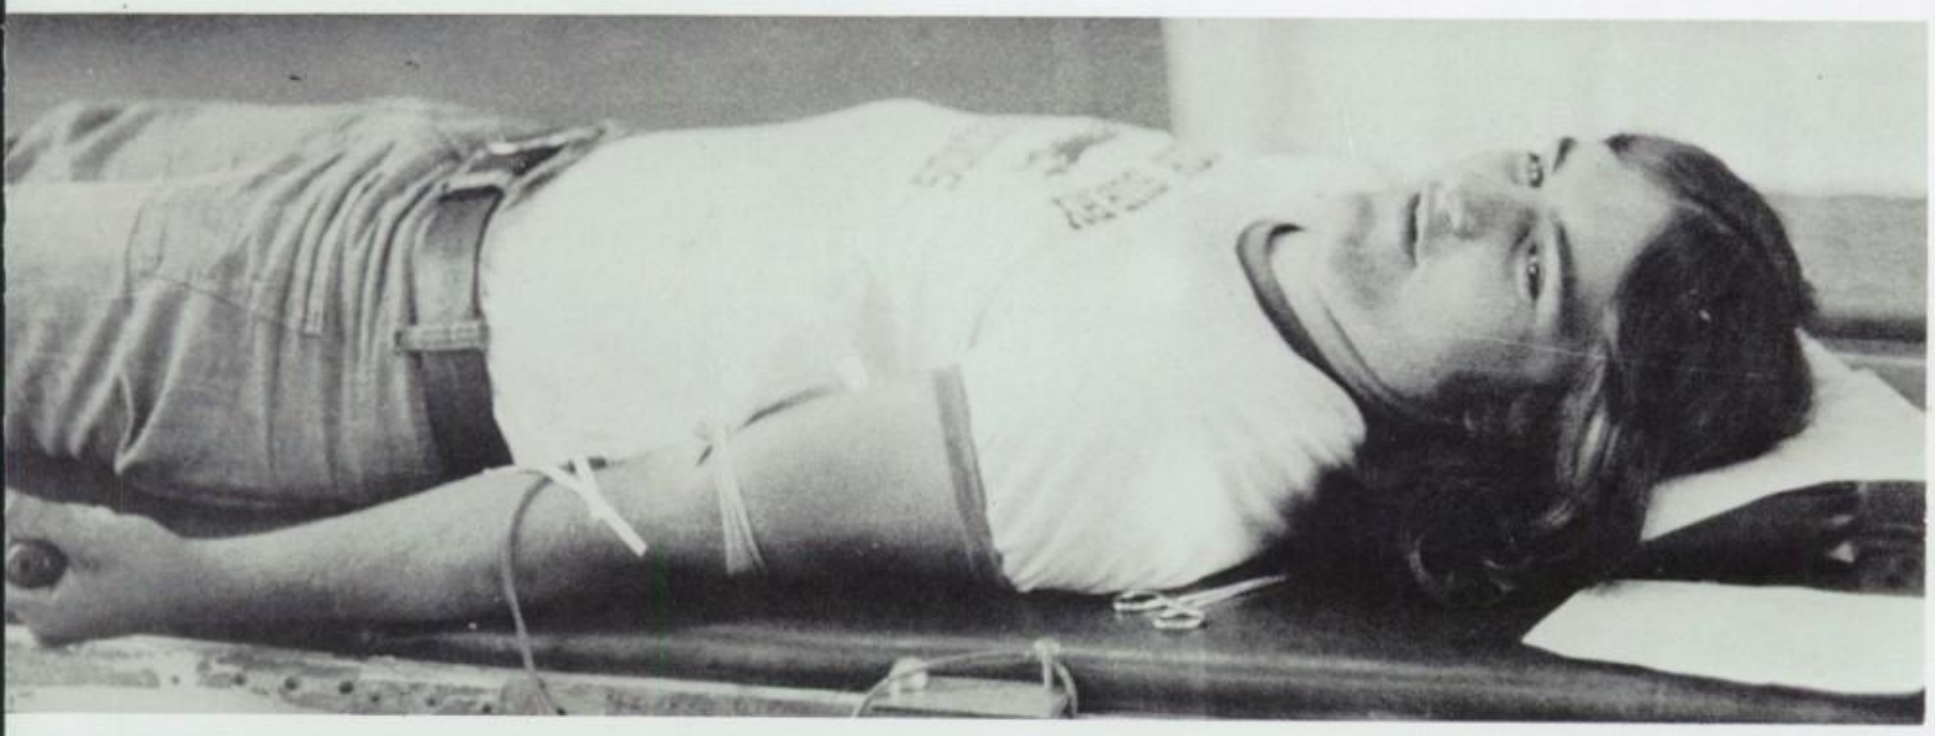
BLOODMOBILE PAYS FIRST VISIT TO NORTH SURRY

— VISIT OUTSTANDING SUCCESS



The Red Cross Bloodmobile paid its first visit, ever, to North Surry early in May. This resulted in some nervous students, some downright scared students who were not at all sure that they would make it until that pint of blood was taken. A few even passed out. But when the day was over, the Red Cross was richer by 144 pints of blood, most of which was given by North Surry students and staff.
